## Group wins first place at Music USA Festival held in Orlando

DAVIE | St. Bonaventure Children's Chorale, under the direction of Ysomar Granados, took home first place in the Elementary School Concert Choir competition at the Music USA Festival held in Universal Studios, Orlando, at the end of April.

The chorale also received the title of Grand Champions for their superior rating.

Their performance was judged by music professors from Stetson University, University of Tampa and Indian River Charter High School in Vero Beach. They performed "Ching A Ring Chaw" by Linda Spevacek and "Shenandoah" arranged by Teresa Jennings.

The chorale impressed the judges in the areas of tone, intonation, diction, interpretation, technique and rhythm.

This was not the chorale's first performance in Orlando. The group is a member of Pueri Cantores, the national student choral organization of the Catholic Church in the United States. In February, the chorale joined six other Pueri Cantores choirs from Florida in singing at the Mass held at the Basilica of the National Shrine of Mary Queen of the Universe. Their repertoire included "Jubilate Deo" and "Da Pacem Domine," music representative of the broad and treasured Catholic tradition.

"I am very proud of every member of the St. Bonaventure Children's Chorale and their supportive families," said Granados. "They have worked very hard and now they are enjoying the results of their efforts."
